

CALLING THE CLASS OF 2031!

Public Schools of Petoskey Kindergarten Registration for Fall 2018

Getting ready for the first day of Kindergarten is an exciting time for both students and their families. We look forward to sharing that "adventure" with you!

What Petoskey Public Schools provide:

- Quality Programs designed to develop individual potential
- A developmentally appropriate curriculum to meet state and national standards
- Highly qualified teachers with experience and training in early childhood
- Well-equipped classrooms
- A safe and nurturing environment

Everything I need to know,
I learned in Kindergarten...

What your Kindergarten student will learn to do:

- Read, write, speak clearly and follow instructions
- Count, construct, create and cooperate
- Play, observe, lead and share
- Develop socially, emotionally and educationally
- To utilize a library and computer lab
- Enjoy art, music, and physical education
