

Dear Students and Parents,

Welcome to Petoskey Middle School. We truly believe that your child receives the best education if we work together as a team. Please feel free to contact us at any time. We want to make the middle school transition as smooth as possible.

We recommend adding our middle school website to your "favorites" (moodle.petoskeyschools.org). Once you go to this website, you can access our teacher websites, as well as the daily announcements for the middle school. You will also be able to access your child's grades through a program called **Power School**. You will receive a parent login and password for Power School the first week of school. If you have any trouble accessing any of this information, please call us and we can walk you through it. Please let us know if you do not have or use the internet. We will print grade reports and send them home with your child. Happy back to school!

Sincerely,
The Sixth Grade Staff

6th Grade Behavior Policy

To reinforce the basic values taught in the Petoskey Public Schools, it is our goal to insure that all students respect others and self, be responsible for their actions, be trustworthy and make healthy choices. We will expect these values to be followed in school and on any field trips. Our policy is to immediately return any student not adhering to these values to school for the duration of the field trip. They will be referred to the administration for immediate disciplinary action.

Enjoy your last days of summer! We look forward to an amazing and productive school year in the fall.

NEW TEACHER?

Mia: I think we need a new teacher.

Mum: Why is that?

Mia: Our teacher doesn't know anything!

.... she keeps asking us for the answers.
