September 26, 2017

Dear Sheridan Elementary School Students, Parents, and Families:

We are excited to welcome you to the Sheridan Elementary school family as we approach the start of the 2017-2018 school year! With the beginning of the new school year I am very happy to be joining Sheridan Elementary and getting established as the new building principal. My family and I recently relocated to the area from Cheboygan, where for the past decade I had the privilege of serving as an administrator with the Cheboygan Area Schools. Most recently, I was the principal of the Intermediate School, which served students in grades 3 through 7.

Sheridan Elementary is a school where children are the focus, just as the motto states, we are “*A quality school...just for kids*”. The instructional staff and student centered programs at Sheridan are outstanding! My wife and I are so happy to bring our family to this area, and we are thrilled to be enrolling our own children here at Sheridan. We will have children in 3<sup>rd</sup> grade, 1<sup>st</sup> grade, and also pre-school. Sheridan has an incredibly caring and connected school community!

Our teaching and support staff are student focused, and we are honored to have the opportunity to serve the Public Schools of Petoskey. This is a school district and community with much to celebrate. I am looking forward to developing many strong relationships within our schools and community, continuing to support and expand the wide variety of great educational experiences for our children. The trust and confidence that you have placed in our school is something that we all take very seriously.

It is a privilege to work in such a supportive community and I am looking forward to meeting all of our students and their families. I wish you all a terrific school year!

If you should need to reach me, for any reason, please feel free to contact me using the information above.

Sincerely,

Mark Oberman  
 Principal - Sheridan Elementary School
